

## SPARE PARTS & TOOLS LIST

| Equipment |   | SPT-3520S-2RP, SPT-3520S-1RP, MIA-LIDEC-L91-EG, PL3700                              |           |          |       |  |
|-----------|---|---|-----------|----------|-------|--|
| Item      | Parts Name                                | Sketch / Outline  | Parts No. | Quantity |       | Remarks  |
|           |   |   |           | Working  | Spare |  |
| 1         | Adjustment indicator                      |    | Ass'y     | 1        | ---   | SP(T)-3500   |
| 2         | O-Ring for Terminal Box                   |    | Ass'y     | 15       | 1     | SPT-3500<br>NBR                                    |
| 3         | CPU Unit                                  |    | P-1641A   | 15       | 1     | SP(T)-3500   |
| 4         | CPU PCB                                   |    | M13294    | 19       | 1     | MIA-LIDEC  |
| 5         | Probe                                     |    | Ass'y     | 19       | 1     | MIA-LIDEC  |
| 6         | Magnet Switch for Selecting Display       |   | Ass'y     | 2        | ---   | SP(T)-3500   |
|           | Testing Tool for Alarm Sensor             |   | Ass'y     | 2        | ---   | MIA-LIDEC  |
| 7         | Pressure Sensor                           |  | M34268    | 15       | 1     | SPT-3500   |
| 8         | O-Ring for Pressure Sensor                |  | 967819    | 15       | 15    | SPT-3500<br>PTFE                                   |
| 9         | Test Adapter (Socket) for Pressure Sensor |  | 4-72238   | 1        | ---   | SPT-3500<br>With<br>O-Ring : P24<br>Bolt : M5 x 15 |
| 10        | BOX Wrench                                |  | 13mm      | 1        | ---   | SP(T)-3500   |
|           |   |   | 10mm      | 1        | ---   | MIA-LIDEC  |
| 11        | Test Tool for Pressure Sensor             |  | Ass'y     | 1        | ---   | SPT-3500<br>PL3700                                 |
| 12        | Spare Parts and Tools Box                 |  |           | 1        | ---   | No. 1~11,<br>13~19<br>In the box                   |
